

**The Circuit Paul Ricard High Tech Test Track (France) is again reserved for you but only by driving a PORSCHE for these two track days**

**Come and join us on March 10<sup>th</sup> and 11<sup>th</sup>, 2017**

After our past experiences of this fabulous circuit, we do invite you again, together with the CLUB PORSCHE GENEVA to drive on this track in its configuration of 5'800 m long. We will drive from 9am to 1pm and from 2pm to 6.00pm in three groups of max 35 cars in the same time, just for free training.

Before going on track you will have to assist to a briefing held on the conference center of the track, at 8.30 am. This briefing is obligatory. It will be given by the track manager.

Paddock access will be allowed from 7am to 8pm the day of the event. You will have the possibility to park your cars in the paddock, for the night, after 5pm on Thursday March 9<sup>th</sup>, 2017. The paddock is secure and safe.

You will have to stop at the barrier of the circuit to ask for your badges. The badges will be sold to anyone who will be present on the track with us. The pilots will also pay these badges like passengers and crew of every team. This badge allows to come in, to have coffee in the morning and to have lunch in the Panoramic Restaurant where lunch will be served between noon and 3pm.

**We repeat that only PORSCHE cars will be allowed to go on track during these 2 days.**

Your inscription has to come in no later than February 10<sup>th</sup>, 2017. As soon as we receive your inscription, we will confirm your inscription, and then you will have to make your payment. We will not refund any money back, even if you would not come.

Sembrancher (CH), January 6<sup>th</sup>, 2017

**Be quick only the first 10 cars will be allowed to participate.**
